### **3. Admission**

Private individuals and vendors whose offerings are suitable for a glass bead and accessories sales exhibition are eligible. Please also refer to Point 9 of these guidelines.

#### **4. Exhibition Area and Prices – Vendor Tent**

Exhibitors rent the hall space. The rental price includes general lighting, cleaning of aisles, electricity, heating, and security outside sales hours (see Point 13). The association is not subject to VAT, so invoices will not include or charge VAT.

##### **Exhibition space**

Price per linear meter with a stand depth of 2.75 m: €95.00

**A minimum of 2 m must be booked.**

Tables (1.70 x 0.70 m) are provided free of charge by the organizer.

Please indicate the number of tables required when registering.

#### **5. Payment Terms**

The stand rental fee is due immediately upon invoicing and without deductions.

Final payment deadline: June 30, 2026. Cash payment on the exhibition day is not possible.

**IMPORTANT:** The stand is only considered definitively booked after payment is received.

#### **6. Cancellation Policy**

Written cancellations are free of charge until June 30, 2026. For cancellations after June 30, 2026 and before the exhibition begins, a refund is only possible if a replacement exhibitor is found or the space can be reassigned.

#### **7. Space Allocation**

The organizer decides on the location of the requested stand areas. Placement requests will be considered if submitted during registration and feasible. Placement details will be sent via email as a layout plan.

#### **8. Stand Design and Equipment**

Each exhibitor is responsible for the individual design of their table; an appealing presentation is desired. Stands must be staffed during opening hours. If temporarily leaving the stand, please inform a neighboring exhibitor. Exhibitors must provide their own lighting. Only VDE-certified electrical devices and cables may be used. **Note:** Power sources may be up to 25 meters away.

Exhibitors are liable for damages caused by faulty electrical installations. Exhibitors are solely responsible for timely stand clearance. Stand elements (e.g., display cases) outside the rented area are not permitted unless the corresponding hall space is also rented (contact the organizer). Access to individual stands is only via the central aisle. As is customary at trade fairs, there are no aisles between stands. Access to the rear area of the stand must be arranged within the rented space.

**PVC tent parts must not be taped or otherwise affixed!**

Posters may be attached to aluminum parts using string or cable, provided no damage occurs to the tent materials. Carpets or similar items must not be taped to the floor. All materials used must be flame-retardant. Exhibitors must provide any required partitions. Tables (1.70 x 0.70 x 0.72 m) and chairs can be provided upon prior request. Please indicate this on the registration form.

#### **9. Product Offerings**

According to the statutes of Glasperlenspektrum e.V., the association aims to promote handcrafted

glass beads and present them in the best light. Visitors include customers interested in exclusive glass beads and artistic glass, as well as many bead artisans seeking high-quality beads and accessories. To maintain this impression, we strictly prohibit the sale of cheap mass-produced lampwork beads. Such beads and glass objects—regardless of origin—contradict our understanding of high-quality glass art and are not permitted for sale.

## **10. Subletting – Sales for Third Parties**

Group stands and sales for third parties are allowed if the admission criteria in Point 3 are met.

## **11. Identification Requirement**

Each stand must display a sign (minimum DIN A5) with the exhibitor's name and address. Group tables must also be appropriately labeled.

## **12. Price Labeling Requirement**

Excerpt from the City of Wertheim's publication:

Price labeling is intended to inform and protect consumers and promote competition.

**The Price Indication Ordinance requires sellers to display prices including VAT and all price components (final price). This applies to anyone advertising goods or services with prices.**

Prices must be clearly assigned to the product or service and be easily visible and legible. If a price consists of multiple components, the final price must be highlighted.

## **13. Security**

General security is provided by the organizer without liability. Exhibitors are responsible for supervising their stands during sales hours. A security company will be on duty during the following times:

Thursday 8:00 PM – Friday 8:00 AM

Friday 6:00 PM – Saturday 8:00 AM

Saturday 5:00 PM – Sunday 8:00 AM

## **14. Image Material**

The stand operator agrees that photos of their stand and offerings may be used in publications, social media, and on the association's website: [www.glasperlenspektrum.de](http://www.glasperlenspektrum.de)

## **15. Liability**

The organizer is only liable for property and personal damages for which they are legally responsible.
